Dear Friend,

I would like to take this opportunity to personally thank you for your donation in support of Operation Iraqi Children. We are extremely excited about the benefits that this program will bring to the children of Iraq.

You will be interested to know that, to date, approximately 200,000 school kits have been delivered to Iraq. This program has been well received by the Iraqi children and their parents—they are very appreciative. I would invite you to take a few moments to visit the website to view some of the heart-warming photos and read about some of the wonderful stories at www.operationiraqichildren.com

The International Friendship Fund was established in order to direct funds—as specified by the donor—to the project or program of their choice. As Operation Iraqi Children has been established within the management of the International Friendship Fund, 100 percent of your generous contribution will directly support the OIC and benefit the children of Iraq.

You will also find enclosed a letter of appreciation from the Co-Founders of Operation Iraqi Children—Ms. Laura Hillenbrand and Mr. Gary Sinise.

Your gift of \$283.68 will be sincerely appreciated by the children and the parents of Iraq. No goods or services were received in exchange for your gift. You may retain this letter for your federal income tax report.

Your Partner in Peace,

Mary Jean Eisenhower
President & CEO
